

Our mission is to increase the number of ICF-credentialed coaches in Michigan, and to actively promote their professional development, growth and success.

April 2007

Dear Friend of PCAM:

Join Us for the May 1st Credentialing Teleforum on Co-Creating the Relationship

On May 1st, PCAM will continue the first phase of its Credentialing Support Program (CSP) by hosting the second of four teleforums focusing on the ICF Professional Core Competencies. This one-hour session will cover the competencies under the umbrella of **Co-Creating the Relationship**, including “Establishing Trust and Intimacy with the Client” and “Coaching Presence”.

We are pleased to announce that **members of the Phoenix, AZ chapter of the ICF will be joining us on the call!** The two chapters are working on pooling resources so that we may create an even better support program for our members. This will surely contribute to the energy and participation on our call, as well as our ability to implement Phase 2 of the CSP. We will keep you posted on our efforts as they unfold!

Future teleforums will cover **Communicating Effectively**, and **Facilitating Learning and Results**, and will take place in July and September.

Last Chance to Receive Discounted Myers-Briggs Assessment and Follow-Up Teleclass with Paul Knudstrup

Time is running out to take advantage of the Myers-Briggs Type Indicator (MBTI), at a reduced cost! Paul Knudstrup of Midwest Consulting Group is offering our members the MBTI for only \$30 – this includes an individual assessment and report, as well as a telephonic group feedback session on April 25 at 7:00 p.m. The MBTI personality system describes 16 type preferences along four dichotomies: Extraversion – Introversion, Sensing – Intuition, Thinking – Feeling, and Judging – Perceiving.

This is your chance to take this assessment at a very reasonable price and receive feedback on your type preference. Even if you have taken the MBTI in the past, you may wish to take it again to update your knowledge of your type.

To obtain your electronic link to take this assessment, send an e-mail to mary.jo.asmus@aspire-cs.com and a check (made out to PCAM) to Mary Jo Asmus, 2004 S. 4th St., Kalamazoo, Michigan **no later than April 20**. When the check is received, Mary Jo will have the link sent to you, and she will also provide you with the access code to the MBTI Teleconference. **This offer is only good for the next 10 days.**

In the meantime,

Coach well!
